### **Gov't, THAG and Moviestar™ welcome**

WSEE-TV, the CBS affiliate in the Caribbean, will visit Guyana to help promote our Tourism Product and Capacity. CBS/One Caribbean Weather is seen throughout the Caribbean, Central America and the Northeast of USA. CBS/One Caribbean Weather is viewed by approximately Thirty-Seven (37) Million people via local cable operators.

CBS/One Caribbean Weather carries weather, sports, entertainment and business reports on thirty two (32) Caribbean countries including Guyana.

The team has an action packed schedule with trips throughout Guyana including Georgetown, Kaieteur, Iwokrama and The Essequibo Islands. The footage will be used to produce two (2) 30 minute commercials promoting Guyana.

THAG is most appreciative of the support received from President Jagdeo, Moviestar Digital IPTV, The Honourable Minister of Tourism and all others who made this project possible. We especially would like to thank, the membership of THAG who provided all the ground transportation, flights, tours, meals and accommodation.

The CBS/One Caribbean Weather crew will be escorted by members of the THAG Executive to the various locations and will be joined by representatives of the Ministry of Tourism Industry and Commerce.

The WSEE Team comprising Joey Stevens, Bob the Parrot, Brian Lily and Bob Miulich will depart on July 18th, 2010.
