

ABOUT US

The Black Canadian Scholarship Fund (BCSF) was founded on May 01st, 1996 when Dr. Horace Alexis, a family physician, donated the initial capital of \$5,000. Together with Pat Holas, he signed an agreement with the Ottawa Community Foundation and started the Donors Committee.

“The dream has finally become a reality; financially-challenged but academically-able black students now have an opportunity to attend university thanks to the Black Canadian Scholarship Fund. I would like to congratulate all past and present members who have served on the committee as well as our precious volunteers and supporters who have worked so hard. Our initiative makes us all winners”

Horace C. Alexis, M.D.
