

ASTRONOMY IN THE CARIBBEAN |

MorayHouseTrust@gmail.com

GUESTS

Livestream on Saturday, April 17, 5pm ET

DR. SHIRIN HAQUE

Astronomer / Science Educator

Dr. Shirin Haque, PhD is the 2020 Anthony Sabga Caribbean awards for Excellence Laureate in Science and Technology. She is first woman to be awarded the CARICOM science Award (2018). Former deputy dean in the Faculty of Science and Technology and a former Head of Department of Physics at the University of the West Indies. She is the programme director for Caribbean hub in radio astronomy through NRAO and National outreach coordinator in IAU.

DAVID MARSHALL

Amateur Astronomer / Astrophotographer / Educator

David is President of the Barbados Astronomical Society. An avid amateur astronomer, Mr. Marshall's passion for astronomy was first lit by the passage of Halley's Comet in 1986. His passion in astronomy grew rapidly, progressing on to scientific work in the form of spectroscopy and photometry.

FERLIN PEDRO

Astrophotographer / Educator

Ferlin is the founder of the Amateur Astronomers Association of Guyana. He coordinates public activities and events to promote astronomy in Guyana. Ferlin hosts online courses for free in astronomy and philosophy for the Guyanese public.

MAHENDRA MAHADEO

Astrophotographer / Engineer

Mahendra's interest in astronomy began young. He built his own telescope right from his home on the East Coast of Demerara! Today, Mahendra works for TeleVue, a leading manufacturer of optical instruments, including telescopes.
