

GOLF FOR GUYANA

📅 Sunday, August 27th 2023

📍 Sunnybrae Golf Club: 1430 King Street, Port Perry, ON

Join us for a round of golf to raise funds for **Baramita, an indigenous community in northern Guyana**. This community is living in extreme poverty with 95% of the population living in makeshift tents with little access to a reliable food source or safe drinking water.

Our golfers funded many projects in 2022:

- Installation of a school garden that is used to teach children about growing vegetables
- Construction of chicken coops for 12 families
- A 3-day satellite clinic where doctors and dentists attended to 400+ patients
- 400 pairs of shoes to children
- 400 backpacks of school supplies, soccer balls/uniforms
- Upgrading of equipment used in vocational training + technology used in STEM learning

This year, we will focus on improving education and expanding the agricultural projects we support!

Tickets: \$145 (includes golf, cart & lunch)
